## **IMPORTANT SAFETY NOTICE**

Bannow & Rathangan Show Society CLG. will endeavor to assist and cooperate with exhibitors regarding safety, however exhibitors shall accept absolute responsibility in respect of the control and behaviour of all their exhibits at the show.

**Exhibitors shall be solely responsible for all legal liability arising as a result of any injury or damage caused by an animal, their property or under their control at the show.**

**Signed: Bannow & Rathangan Show Society CLG.**

## **IMPORTANT NOTICE TO ANIMAL OWNERS INVOLVED IN SHOWING ANIMALS**

The Irish Shows Association would highly recommend that all Animal Owners who have their Animals Insured to have the Insurance Cover extended to cover them while showing animals at Shows. It may cost very little or nothing at all depending on who you have Insurance Cover with.

The reason for giving this recommendation is that if your animal were to injure someone or damage someone's property and it is established that your animal was out of control at that time, you may be held responsible or partly responsible for any injury or damage caused, and may end up paying all or part of any settlement reached.

**All riders should wear appropriate head gear, which complies with up to date Safety Standards complying under the Directive 89/686/EEC on personal protective equipment as described by the HSA.**

Note: All gates on show field will be locked at 9pm on the eve of Show.

The I.S.A. are proud to present the following Championships and wishes to acknowledge the generous sponsorships which make these competitions possible. For the efficient running of the Championships all concerned are requested to read and observe the Rules set out below.

## General Rules for ISA Championships 2023

**Shows who hold Qualifiers for Livestock may request Exhibitors to enter the exhibit in a least one other Class at their Show on the day.**

### Eligibility of Shows to host Qualifiers:

Shows wishing to participate in the Championships and be eligible to hold qualifiers must:

1. Have collected the Championship Fund (currently 5%) from Horse, Pony, Cattle, Sheep & Goat class prize money for the previous year and forwarded the amount so collected, in full, to the Irish Shows Association within the stipulated period of not more than 30 days from the date of the show. Alternative methods of meeting this obligation are not acceptable. Any show or competitor in breach of the rules set out will be disqualified from participating or competing in these Championships.
2. Undertake to ensure the correct collection and return of qualifier cards and entry fees.
3. These General Rules and those relating to individual championships (where applicable) should be published in the show schedule and catalogue of the participating shows and must be strictly observed.

### Responsibility of Shows holding Qualifying Rounds:

1. Selected Shows should hold a separate class for each qualifier from which the highest placed animals will qualify.
2. Shows must ensure that the qualifiers are held strictly in accordance with the relevant rules.
3. No other sponsor may be involved in qualifying classes.
4. Shows may charge a set entry fee for each qualifying class. The I.S.A. will award a rosette to the successful exhibit(s) on appearance at the final.
5. No show hosting a Championship Final may hold a qualifying class for that championship on the day of the final other than by agreement with the Irish Shows Association.

6. Shows who hold qualifiers for Horses, Ponies, Cattle, Sheep & Goats may ask exhibitors to enter the exhibit in at least one other class at their show on the day. Shows should not undertake to host a qualifier unless they have an equivalent class.
7. Where shows debar class winners from further competitions, this rule must not be applied to qualifiers.
8. Animals qualified for finals are not eligible to enter in any other show class at the show where the final is held, other than a qualifying class for another championship.
9. Shows should appoint competent, well-briefed persons to act as stewards, who must ensure that only animals (or other exhibits) which are eligible to compete and whose documentation is in order, are allowed to proceed to the judging ring.
10. On completion of judging, Stewards must inform the successful competitors to visit the Secretary's Office at the show within one hour and complete the necessary paperwork and pay for entry to the final.
11. The show must appoint a well-briefed officer who will be available at the Secretary's Office to assist exhibitors to complete the entry cards for participation in the final and collect the entry fee.
12. Show Secretaries must forward completed result cards, together with appropriate fees to the Irish Shows Association within three days following the holding of the show.
13. NB. Shows must return results card marked "No Entry" for any or all of the events for which no animal (or exhibit) has been selected.

### **Responsibility of Exhibitors:**

1. Exhibitors accept that the Judge's decision is final in all cases.
2. Any abuse of Judges will not be tolerated. Where a dispute or case for complaint arises, the matter should only be dealt with under 7 below.
3. Exhibitors should be familiar with the Irish Shows Association Disciplinary Policy as published on our website and annual guidebook.
4. Winners of Qualifiers are themselves responsible for entering their qualifiers (or exhibits) for the final in accordance with the rules above, within one hour of qualifying.
5. Winners of qualifiers will compete in the final.
6. The Irish Shows Association in conjunction with the sponsors reserve the right to alter or amend the rules of the competition as may be necessary where appropriate.
7. Shows and competitors must contact the ISA for details of any championships and not the sponsor involved.
8. Objections must be lodged in writing with the I.S.A. representative at the show and the Show Secretary within half an hour following the completion of judging, together with a fee of €50, or other stated fee, which is refundable in the event of the objection being upheld.
9. Any exhibitor who makes a false declaration or misrepresents a fact regarding themselves or their exhibit is liable to disqualification and/or forfeiture of any prizes awarded.

### **Responsibilities of Shows hosting Championship Finals & All-Ireland Finals:**

1. Where shows are paying out prizes, a deduction of 5% of the prize money will be collected by the show and forwarded to the I.S.A. within 30 days of the Final. Championship finals must start not later than 2pm on the day of the show and the advertised time must be adhered to as far as possible. If necessary, other show classes should be either postponed or relocated to allow for this.
2. Shows should cooperate with ISA personnel and judges appointed to officiate at finals.
3. Selection of judges for All-Ireland championships should be handled by the relevant sub-committee of the board of the ISA.

### **General Rules**

### **Recommendation for Cattle Classes**

After a number of submissions from affiliated shows on the judging of calves and the need to have them judged by weight rather than by age at Shows. The Irish Show Association Cattle Sub Committee have put forward the following recommendation on use of live weight for calf classes eg Calves under 12 months not to exceed 460kg; Autumn born calves and calves under 6 months should not exceed 320kg.

Another suggestion is to use no more than 1.7kg live weight gain per day from the birth date to the show date. **This proposal would also be suitable for interbreed pedigree calf championships.**
